Connecting to FC1

Mac:
1. Open a "Finder" window.
2. In the menu bar on the top of the screen, click "Go"
3. In the drop-down menu, click "connect to server"
4. In the type-in field in the new window, type: smb://fc1.caltech.edu/rpgroup
5. Press the "+" button to add it to your list of favorite servers.
6. Click “connect”. You will be prompted for your credentials. Be sure to choose 'Registered User'
7. Type in your access.caltech username and password. Preface with its\ (e.g. its\username). Click ok, you will then connect to share.
8. Click on the "Bi1x 2013" directory

PC:
1. Click on Start > Run
2. In the 'Run' dialogue box type: \fc1.caltech.edu\rpgroup
3. You will be prompted for credentials.
4. Type in your access.caltech username and password in the appropriate boxes. Be sure to preface your username with its\username.
5. Click ok, you will then connect to share
6. Click on the “Bi1x 2013” directory

FTP clients may also be used. To get at the files connect to getfiles.caltech.edu using SFTP.
